

2018 HOLE IN 1 CLUB

The “Hole in 1 Club” was established by the Firewheel Women’s Golf Association (FWGA) as an optional item for club members. The following guidelines apply:

- The cost is \$10.00 per member to join due at the time of joining the FWGA.
- A member must join the Hole in 1 Club at the time of turning in their FWGA membership form. There is no other time they will be allowed to join this club. This is a onetime opportunity per year.
- **This form must accompany the \$10.00 payment to be valid** and must accompany the FWGA membership form.
- New members may join at the time of paying their FWGA dues.
- The hole in one must be made during an official “league sanctioned” event. These events must be established as sanctioned prior to the event. Sanctioned events are all Thursday play days March-October, all FWGA end-of-month tournaments at Firewheel Golf Park, the FWGA Spring Fling Member-Guest tournament, the FWGA two-day Club Championship or any other additional event as determined by the FWGA Board.
- Hole in 1 Club monies will be put aside (along with proper member documentation) until a winner has been declared. No refunds will be given. Monies cannot go to any other use.
- Hole in 1 Club funds will be distributed annually at the December meeting and will be divided equally among all winners for the official league-sanctioned year.
- If there is no Hole in 1 during any official league sanctioned year, the funds will be rolled forward to the next year and added to any newly collected funds.

I have read the above statements and accept the conditions.
