The FSGA *Most Improved Player* award is based upon the player's Official Handicap as issued by the Golf Handicap and Information Network [**GHIN**], a USGA service. The Improvement Factor compares the player's handicap at the end of the season to a beginning handicap earlier in the year. The player with the highest improvement factor is the most improved player. More details are available at the website [http://www.usga.org/ . . . / USGA-Handicap-Committee-Guide.pdf](http://www.usga.org/. . . / USGA-Handicap-Committee-Guide.pdf).

The 2024 FSGA season is now officially concluded with no other activities for the remainder of the year. Our next official meeting for all renewing members will be in January of 2025.

The FSGA Annual Business Meeting will be held in January 2025 at a time and place to be selected by the incoming administration. During this meeting the membership will receive reports from officers and committees as well as discussing matters of importance for the upcoming season.
